

SPRING CHECKLIST

- Broken Furniture - can it be mended? Or just recycled/dispose of it
- Rotten wooden furniture- check feet, table tops & benches. Dry out, sand and wood protect if salvageable.
- Surface repairs - can furniture be sanded down, treated or repainted?
- Structural maintenance - rusted bolts? Or just tighten bolts.
- Mould/mildew on parasol fabric, seats or hardwood like teak?
- Shelter maintenance, still waterproof? What about the sides? Check any gutters and drainage. Any rot or rust?
- Wash and thoroughly dry outdoor cushions, parasol canopies
- How are your surfaces? Jet wash patios, protect grass from excess churn
- Accessibility to your outdoors - check pathways, hedges
- Planters and flower beds. Plant bright flowers/bulbs/fake plants
- Take a step back and consider the first impression your venue gives. Is it clean & smart?
- Atmosphere - check any outdoor lights/heaters are working properly. What else can you add?
